Experience

Founder&Attorney, Kudrycka Law

Oct 2021 - Present

I provide legal services to help our clients with starting out, scaling up, in-house teams support, transactions, commercial contracts, and licensing.

Our mission at Kudrycka Law is to partner with U.S.-based international startups to help them scale with ease. We love seeing our clients achieve their goals and prosper under our legal care and advice.

Our goal is to provide the most practical, actionable, and scalable legal services for growing startups. We combine the big-picture perspective and quality of working with a big law firm, with the one-on-one attention and familiarity of a boutique law firm.

Member Of The Board Of Advisors, LUMUS Investment Collective

Jan 2021 - Present

Lumus Investment Collective is a community of women who are stepping into the angel investing world, smashing the glass ceiling and breaking down gender barriers. I provide insights and support as to the long-term strategy and development plans.

Senior Associate, White & Case LLP

Aug 2019 - Oct 2021

I advised clients on venture capital financings (early and later stages) in the U.S. and Europe, fund formation projects, IP transfers, licensing, and joint development agreements. I restructured corporations and "flipped" the corporate structure to a U.S. parent company. I also worked on M&A deals (sell-side and buy-side) in various industry sectors.

Senior Associate, K&L Gates

Jun 2018 - Jul 2019

I assisted venture capital funds with transactions in Europe and the US, drafting and negotiating documents related to financing, conducting legal due diligence for tech

businesses, incorporating US subsidiaries, drafting and negotiating technology transfer and licensing agreements.

Legal Consultant, Tiplati

Sep 2017 – Apr 2018

I drafted and negotiated SaaS agreements, partnerships and reseller agreements, NDAs, and marketing agreements. I supported sales and marketing departments with ongoing contract work and negotiations, process improvements, and GDPR compliance implementation.

Legal counsel, GSK

Apr 2014 – Aug 2016

I provided legal advice to internal business clients on the entire product cycle of pharmaceuticals, medical devices and cosmetics, including clinical trials, manufacturing, supply, regulatory and quality issues, and commercial transactions. I drafted contracts and reviewed marketing materials. Implemented data protection framework with policies and agreements, and advised on competition law issues. I was responsible for corporate governance of the local subsidiaries.

Associate, White & Case LLP

Jul 2008 – Mar 2014

I was an associate in the litigation and arbitration department. I represented clients in court cases and in arbitration proceedings.
